

Associate Degree Programs in Theology and Ministry (A.A. Theology and Ministry).

(All courses are 3 credits; minors are 6 credits.)

The Associate Degree Programs in Theology and Ministry are designed to provide students with a deeper and more structured understanding of biblical studies, Christian doctrine, and ministry practice, building on foundational knowledge and preparing students for effective service and further theological study.

Credit Summary

Total Credits: 60–66

Core Courses: 30 credits

Spiritual Formation & Practice: 6 credits

Major (Area of Concentration): 18 credits

Minor: 6 credits

Practicum / Ministry Practice: 6 credits

Note: Each course carries 3 credits, equivalent to guided instruction, independent study, and practical application.

Students are required to choose one major (area of concentration). A minor may be added subject to credit limits.

Admission Requirement

Admission requires a Certificate in Theology and Ministry or a secondary school certificate or equivalent.

Award Statement

An Associate Degree in Theology and Ministry is awarded upon successful completion of all program requirements.

Completion Requirement

To complete the program, students must successfully earn approximately 60–66 credits, including Core, Major, (optional Minor), and Practical Ministry.

Program Outcomes

Graduates will demonstrate competence in biblical interpretation, an intermediate level of theological understanding, and the ability to apply ministry principles in real-life contexts.

The curriculum is structured into Core, Spiritual Formation & Practice, Major, Minor, and Practicum components as outlined below:
