

Postgraduate Certificate Programs (6 Months – 1 Year / 2–3 Semesters)

(All courses are 3 credits)

The Postgraduate Certificate Programs are designed to provide advanced, focused theological and ministry training for graduates seeking to deepen knowledge, develop specialized skills, or prepare for further postgraduate study. Below is an exemplary program structure for a Postgraduate Certificate in Theology and Ministry.

Credit Summary

Total Credits: 15–24 credits

Core Courses: 3–6 credits

Specialization (Track): 9–12 credits

Practical Ministry / Project: 3–6 credits (optional but recommended)

Note: Each course carries 3 credits, integrating advanced instruction, independent study, and applied ministry or research.

Admission Requirement

Bachelor's Degree in Theology, Ministry, or related field, or an equivalent qualification with relevant ministry experience.

Award Statement

A Postgraduate Certificate is awarded in the chosen area of specialization upon successful completion of all program requirements.

Graduation Requirement

Students must complete 12–24 credits, including core courses, specialization, and (optional) Practice/Project.

Program Outcomes

Graduates will:

- Demonstrate an advanced understanding in a focused area
- Apply theological knowledge in ministry or research contexts
- Develop specialized competencies
- Prepare for further postgraduate study (e.g., Master's)
