

Doctoral Degree Curriculum and Program Requirements

(All courses are 3 credits; Research is dominant)

The Doctoral Degree Programs are designed to provide advanced research competence, theological depth, and high-level leadership formation, equipping scholars and ministry leaders for teaching, research, publication, and global influence.

Credit Summary

Total Credits: 60–78

Core (Doctoral Seminars): 12 credits

Faculty Specialization: 18–24 credits

Advanced Seminars / Electives: 3–6 credits

Spiritual Formation & Practice: 6–9 credits

Comprehensive Exams: Non-credit (required)

Dissertation (Doctoral Thesis): 21–24 credits

Note: Doctoral study emphasizes independent research, scholarly writing, and original contribution to knowledge.

Admission Requirement

Master's Degree in Theology, Ministry, or related field. Demonstrated academic ability (research/writing). Ministry or professional experience (recommended)

Award Statement

A doctoral degree is awarded in the student's chosen faculty upon successful completion of all program requirements

Graduation Requirement

Completion of coursework, Successful comprehensive examinations, Approved doctoral dissertation (40,000–80,000 words) and an Oral defense

Program Outcomes

Graduates will:

- Demonstrate advanced theological and biblical scholarship
- Conduct independent, original research
- Contribute to academic and ministry knowledge
- Teach at higher education level
- Provide thought leadership in church and society

Faculties	Core Courses (Common to All Faculties)	Specializations (Select one primary area and complete 3–4 courses (9–12 credits), then select additional courses from other areas within the same faculty to complete 18–24 credits)	Advanced Seminars / Electives: (complete 1–2 advanced seminars (3–6 credits), selected from within or outside your faculty, subject to approval).	Spiritual Formation & Practice (6–9 credits): Students complete 2–3 advanced formation seminars focused on spiritual leadership, personal formation, and ministry integration.
