

Master's Degree Curriculum and Program Requirements

(All courses are 3 credits; Electives: 6–9 credits [2–3 courses])

The Master's Degree Programs are designed to provide advanced theological education, specialized training within faculties, and high-level ministry and research competence, equipping graduates for leadership, teaching, and global ministry engagement.

Credit Summary

Total Credits: 54–66 credits

Core (Common Courses): 18 credits

Faculty Specialization (Major): 18–24 credits

Electives: 6–9 credits

Practical Ministry / Internship: 6 credits (recommended)

Research / Thesis (Capstone): 6–9 credits

Note: Each course carries 3 credits, integrating advanced instruction, independent research, and applied ministry.

Students are required to enroll under one faculty (major area of specialization).

Admission Requirement

A Bachelor's Degree in Theology, Ministry, or related field. Evidence of ministry experience (recommended)

Award Statement

A Master's Degree is awarded in the student's chosen faculty upon successful completion of all program requirements.

Graduation Requirement

Completion of approximately 51-66 credits, including core, faculty specialization, practice, and thesis.

Program Outcomes

Graduates will:

- Demonstrate advanced biblical and theological competence.
- Engage critically with theological and contemporary issues
- Lead ministries and organizations effectively
- Conduct theological research and produce scholarly work
- Contribute to church and society at a high level
