

# **Postgraduate Diploma Programs (1–2 Years / 3–4 Semesters)**

*(All courses are 3 credits)*

The Postgraduate Diploma Programs are designed to provide advanced and structured theological and ministry training, equipping graduates with deeper knowledge, specialized competencies, and practical skills for ministry, leadership, and preparation for Master's level study.

## **Credit Summary**

Total Credits: 24–34 credits

Core Courses: 9–12 credits

Specialization (Track): 9–15 credits

Practical Ministry / Project: 6–9 credits

Note: Each course carries 3 credits, integrating advanced instruction, independent study, applied ministry practice and/or research.

## **Admission Requirement**

Bachelor's Degree in Theology, Ministry, or related field, or an equivalent qualification with relevant ministry experience.

## **Award Statement**

A Postgraduate Diploma is awarded in the chosen area of specialization upon successful completion of all program requirements.

## **Graduation Requirement**

Students must complete 24–34 credits, including core courses, specialization, and practical ministry/project requirements.

## **Program Outcomes**

Graduates will:

- Demonstrate advanced and integrated theological understanding
- Apply knowledge effectively in ministry and leadership contexts
- Develop specialized and professional competencies
- Engage in independent study and applied research
- Be prepared for Master's degree programs

| Faculties                                                                                                                                 | Core Courses (Common to All Programs – Choose 3 or 4)                                                                                                                                                                                                    | Specialization (Track) (Choose 3 or 4)                                                                                                                                                    | Practical Ministry / Project (Optional – Applies to all programs) (Choose 2 or 3 areas)                                                                                                                                                              |
